Agent agrees to use attached DOWN PAYMENT CALCULATOR, or to call for down payment percentage to be collected at (800) 728-2902

Should additional premium be due to a result of changes in the insured's policy(ies) or adjustment of rate classification(s), Insured and Agent hereby grant National Premium Budget Plan Corp. and its subsidiaries, parent and/or assign(s), (hereafter, "NATIONAL") the authority to pay the additional premium (for a new or existing policy) and to amend the premium finance agreement ("PFA") accordingly at the existing contract rate, with no additional fee to the insured. Such additions shall be accomplished by NATIONAL from this written and signed memorandum by agent and the insured, prior to the first scheduled payment date of the amended transaction. If the down payment collected is inadequate causing any shortage in return premiums to pay the contract in full, the agent agrees that this additional premium will be on a "recourse basis" to the Agent/Broker.
